RABBIT RESOURCES

In March 2003 I was fortunate in being able to go to a Bunny-Fest and the following information is compiled from that event. The event was sponsored by:

For Other Living Things, 1261 South Mary Avenue, Sunnyvale, CA 94087, 408-739-6785, www.forootherlivingthings.com

These folks are very knowledgeable about bunnies and have many resources for information. You can also find out about feeding, exercising, cleaning, and housing from the House Rabbit Society.
